Annapurna Base Camp (ABC) Trek **13 Days Including Kathmandu and Pokhara**

Annapurna Base Camp Trek; is one of the most famous trekking route in the world. This trekking route passes through a diverse range of climate, vegetation and cultural zones. From lush vegetation of rain and temperate forests to the alpine environment of the Sanctuary, each day on this trek offers something different. The land really does change daily, which provides a tantalizing introduction to Nepal's cultural and natural beauty. Main peaks of the western portion of the great Annapurna Himalayas, including Hiunchuli, Annapurna South, Fang, Annapurna I, Ganagapurna, Annapurna III and Machhapuchhare are arranged almost precisely in a circle about 10 miles in diameter with a deep glacier-covered amphitheatre in the centre. Annapurna Base Camp Trek route crosses through the Gurung Cultures along the dense Rhododendron forest.
