## Bike Tour around the Lake Constance 2019

### Germany-Switzerland-Austria

This classic tour takes you round the entire lake showing you all its highlights along the way and the historic towns of Constance, Stein am Rhein, Meersburg and Lindau as well as the festival town of Bregenz. The first three sections are slightly hilly and otherwise level, following separate paved cycle paths close to the lake. The path sometimes follows brief sections that are unpaved and around Friedrichshafen the cycle path is alongside the main road. The banks of the lake are widely accessible to the public.

#### Itinerary:
