Spain-Portugal Backpacking Trip April 2019

Dynamic culture, compelling history, to-die-for cuisine – the Iberian Peninsula really is an embarrassment of riches for every sense and interest. On this adventure, you'll soak up the Moorish history of Lisbon, be treated to a lively flamenco performance in Seville, explore the astounding Moorish architecture of Sintra, taste the authentic Port wine and witness Gaudí's Barcelona with your own eyes. If that sounds like a lot, be prepared; we've only just begun.
